COACH RISK ASSESMENT

At Longmynd Travel your safety comes first.

- We are members of the Confederation of Passengers Transport (CPT).
- All our vehicles are fully maintained to the highest standards and are inspected regularly as required by UK legislation.
- We ensure drivers are trained, experienced, hold the correct documentation and valid licence to drive the vehicle.
- All drivers are checked through the disclosure and barring service.
- All drivers are to ensure that there is no danger to either passengers or vehicles. Our main priority at all time is passenger safety.
- We have an operational daily check in place and take appropriate remedial action if defects are found.
- In the case of emergency or incident the driver will also provide emergency supplies which are located on every vehicle.
- We ensure there is a 24 hour breakdown call out procedure in place.
- Longmynd travel comply with the Department of transport Seat Belt Regulation which require coach operators to take reasonable steps to ensure every passenger is aware that they must wear a seat belt while the vehicle is in transit.
- Drivers are to take adequate rest breaks as required by legislation and conform to the Working Time Directive in terms of overall working hours
- Longmynd Travel Ltd is a family run company that prides itself in customer care. Our drivers are friendly and willing to help out at every opportunity. The management team is actively involved and available to answer any queries.
